

OE-NWS

Night Weapon Sight
(X1, X4, X6)

KEY FEATURES:

- / MILITARY GRADE LEVEL
- / VARIOUS MAGNIFICATIONS
- / GEN II OR GEN III TUBE
- / HIGH ACCURACY
- / LIGHTWEIGHT AND COMPACT DESIGN
- / GAIN CONTROL- OPTIONAL

The OE-NWS is our newest series of Night Vision Sight design.

Made of lightweight Aluminum the OE-NWS is durable, while providing the lowest possible weight to the scope, as well as dependable boresight retention.

These weapon sights provide excellent observation, target acquisition and aiming capabilities at night.

The Sights have a high light cut-off capability and can operate at extreme temperatures.

The weapon sights incorporate a Mil-Dot reticle that is sharply defined and has variable intensity for best contrast on light or dark targets.

To enhance the survivability and operability of these sights, the external objective lens and eyepiece lens elements are protected with an ultra-durable (scratch-resistant) coating which permits cleaning without fear of damaging the optical coatings.

OE-NWS

Night Weapon Sight (X1, X4, X6)

KIT COMPONENTS

- / OE-NWS, NIGHT VISION WEAPON SIGHT
- / WEAPON MOUNT
- / SOFT CARRYING CASE
- / LENS TISSUE
- / AA BATTERIES
- / OPERATOR'S MANUAL
- / RIGID CARRYING CASE - OPTIONAL
